

Demondawn – vocals

Mayhem – guitars

Nick Grave – bass

Messiah Of Evil – drums

Though SKYCONQUEROR emerged in the late 90s near Münster, founded by Hellduke and Messiah Of Evil, it never made it out of the underground. Following the demos STREAK OF LIGHTNING, SILVER HAZE RISING and FORGED IN HELL, the first full length cd HELLSTORY was released in spring of 2008, featuring twelve songs from the history of the band.

In the following years the band gave infernal gigs, took part in a movie and collected new material. The eleven songs on UNDER THE PENTAGRAM were recorded from December 2012 until March 2014 in “The Crypt”-Studio in the dark landscape of the Westfalian countryside.

After Hellduke left in August 2014, Nick Grave - the singer from the early days - joined again to play bass. Mayhem, who had already contributed guitar tracks, switched to playing guitar. Lead vocals were performed by Demondawn and drums were tormented by Messiah Of Evil. The band moved their rehearsal to Dortmund Nordstadt, where they are recording the successor to UNDER THE PENTAGRAM...
